Title of Invention	MULTI-METAL-NITROGEN COMPOUNDS MATERIALS	FOR USE IN HYD	ROGENSTORAGE
As the below ner	ned inventor(s), t/we declare that:		
This decisration	s directed to:		٠ .
	The attached application, or X Application No. PCT/8G2004/000		9/29/2004
	X as amended on 1	arch 31, 2006	(If applicable);
	he duty to disclose to the United States Patent and pilty as defined in 37 CFR 1.56, including for commi- retween the filing data of the prior application and		
All statements mad	apparation. c herein of my/our own knowledge are true, as at and tuther that these statements were made with the or imprisonment, or both under fix U.S.C. in to the or imprisonment, or the continued of the con	atements made horei	on information and ballet are
All statements mad believed to be true, are punishable by a any patent issuing to FULL NAME OF I	expursacy. In bream of mynour own browledge are true, of se and further had those statements were made with it are or imprisorment, or both, under 16 U.S.C. 1001 hereon. NVENTOR(S)	atements made horei	on information and ballet are
All statements mad believed to be true, are punishable by t any patent issuing t	expensions of raylour own browledge are true, at at and further that these statements were made with the or imprisonment, or both, under 16 U.S.C. 100f the original comment, or both, under 16 U.S.C. 100f NVENTOR(S)	atements made horei	n on information and belief are hat felse statements and the like the vasidity of the application or
All statements may believed to be true, are purishable by it any patent issuing to FULL NAME OF I Inventor one: Signature:	expensions of nyfur own housedge are true, at at and truther hat these statements were made with for imprisonment, or both, under 16 U.S.C. 100f harvers. NVENTOR(S) Plng GHEN	atements made horeine knowledge that will and may leoperdize and may leoperdize	on information and ballet are
All statements may believed to be true, are purishable by it any patent issuing to FULL NAME OF I Inventor one: Signature:	opening on the first of the second of the se	stements made haveing knowledge that will and may Jeopardize and may Jeopardize	n on information and belief are hat felse statements and the like the vasidity of the application or
All statements may believed to be true, are purchable by a sure particulate by a sure particular to the true particular to the particular true true to the particular true true true true true true true tru	opening on the first of the second of the se	stements made haveing knowledge that will and may Jeopardize and may Jeopardize	n on information and boilef are for following the statements and the light of the statements and the light of the specialism of the special
All statements may believed to be true, are purchashed by a ray patient issuing to the patient is th	to begin a full of the second	stements made haveing knowledge that will and may Jeopardize and may Jeopardize	n on information and boilef are for following the statements and the light of the statements and the light of the specialism of the special
All statements may believed to be true, are purchashed by a ray patient issuing to the patient is th	expensions of mylour own knowledge are true, at at and thinks hat these statements were made with a or imprisonment, or both, under 16 U.S.C. 100f harvers. NVENTOR(S) Pling CHEN Chitao XIONG	atements made haveles knowledge that will and may leopardise and may leopardise lizen of:	n on information and boilef are for following the statements and the light of the statements and the light of the specialism of the special
All statements may believed to be true, are purishable by 1 early patient sealing to the property of the patient sealing to the patient s	expensions of reycus own bnowledge are true, at at each state that these batternates were made with each substantial state of the state	atements made haveles knowledge that will and may leopardise and may leopardise lizen of:	on briomarison and balled are full files estatements and the like tradements and the like the visidity of the application of the visidity of the application of CHINA
